

In Memoriam ...

1955 - 2019

Michael "Macky" McCalla, Class of 1972, was a stalwart of the Calabar Florida Alumni. He served our alumni association with pride and had a never-ending love for our alma mater. He gave his utmost as witnessed by his tireless service to Calabar personally and in his activities in the Florida Chapter right up his last role as Vice

President. Many consider Macky the "glue" that held the chapter together. His calm demeanor and brilliant skill of gentle reasoning brought clarity and direction to many "lively" discussions among the ranks of the South Florida Rabalac lions.

We thank his wonderful wife Sheena for lending him to us over the years; for him to take part in one of the joys of his life, anything Calabar. We join you in remembering all the good times that Michael shared with all who were blessed to know him.

**MICHAEL
MCCALLA**
