A Nonprofit 501c(3) Organization

## **2020-2022 REPORT** August 2022

## **2022-2022 REPORT**

This report summarizes the 2 years from September 2020 to August 2022 for the Calabar High School Alumni Association, Inc., a 501c3 charitable organization and a State of Florida Not-for-Profit Corporation.

### **Who are we?**

The Calabar High School Alumni Association Florida Chapter Inc. (Calabar Alumni Florida) Board of Directors, under the leadership of the Executive Committee, empowers past students and friends to strengthen the Calabar Alumni community in the State of Florida.

We are an all-volunteer body that guides the fostering of alumni community building, creating Calabar citizens of alumni and alumni volunteers.

Our work focuses on developing volunteer leadership, increasing and deepening alumni engagement through camaraderie, fellowship, and participation in cultural, civic, social & sporting activities that support the alumni community in Florida. We want to provide a platform to assist, inform, and engage alumni, fostering opportunities for alumni to be of service to each other, to students, and to Calabar.

The Board of Directors wants to engage the Rabalac Lions in organized alumni activities, both in-person and online and invite you to volunteer and network.

We wish you get involved and stay in touch with that place ... at 61 Red Hills Road that transforms boys into men.

### **Mission**

The mission of Calabar Alumni Florida is to promote the welfare of Calabar High School, Kingston, Jamaica, by establishing of a mutually beneficial relationship between Calabar and its Alumni in Florida.

### **Chapter Activities**

#### **1. Board of Directors**

On August 30, 2020, [nominations](#) were held for a new board of directors for the Calabar High School Alumni Association, Florida Chapter, Inc. (Calabar Alumni Florida or the "Chapter"). Elections were held using electronic voting with a deadline

of October 15, 2020. The officers (below) were elected and installed in October 2020 for a two-year term ending September 30, 2022. Figure 1 shows the announcement.

## 2. Board of Directors Meetings – November 2020

The Calabar Alumni Florida Board of Directors (BOD), installed in October 2020, meets on the first Thursday of every month unless otherwise specified by the President. The Board meets virtually using Google Meets at 7 pm on the first Thursday of the month.

## 3. Website re-established and Social Media Presence – August 2020

Just before the appointment of the new Board and to help facilitate the distribution of information for the upcoming election. The website for the Chapter

was re-established using the existing URL, cbarfla.org. Social Media presence was created:

Website	- cbarfla.org
Instagram	- @Cbar_Florida_Chapter
Twitter	- @CbarFlorida
Facebook	- @CbarFlorida

#### 4. Bylaws – December 2020

The President drafted the Bylaws for the Chapter and reviewed by the BOD and formally adopted by the BOD on December 3, 2020. Before this, the Chapter had no formal Bylaws (at least none that could be found by the new President, only the Article of Incorporation documents filed with the State of Florida on January 7, 2006, for application as a not-for-profit corporation.

#### 5. Continuous Strengthening the "Not-for-Profit" Profile – Nov 2020 to August 2022

Already established as a registered (2008) charitable organization as described in section 501(c)(3) of the Internal Revenue Service, the Chapter is eligible to receive tax-deductible contributions under IRS Code section 170. The Board set out to strengthen and maximize the Chapter's status as a not-for-profit. The following were accomplished:

A. Registering and achieving a "Bronze Seal of Transparency" rating from GuideStar (now Candid), a clearinghouse to give donors the information they need to support nonprofit organizations. This helps to demonstrate the organization's transparency to potential funders and donors.

B. Applied and accepted as a Google Nonprofit. Access to significant Google organization applications with all fees for an organizational email address (.org) and cloud storage waived indefinitely.

C. Approved as a nonprofit in the **PayPal Giving Fund**. Access to reduced rates and fees on transactions for donations and payments received. "Listed" as a registered nonprofit to receive gifts upon PayPal checkout.

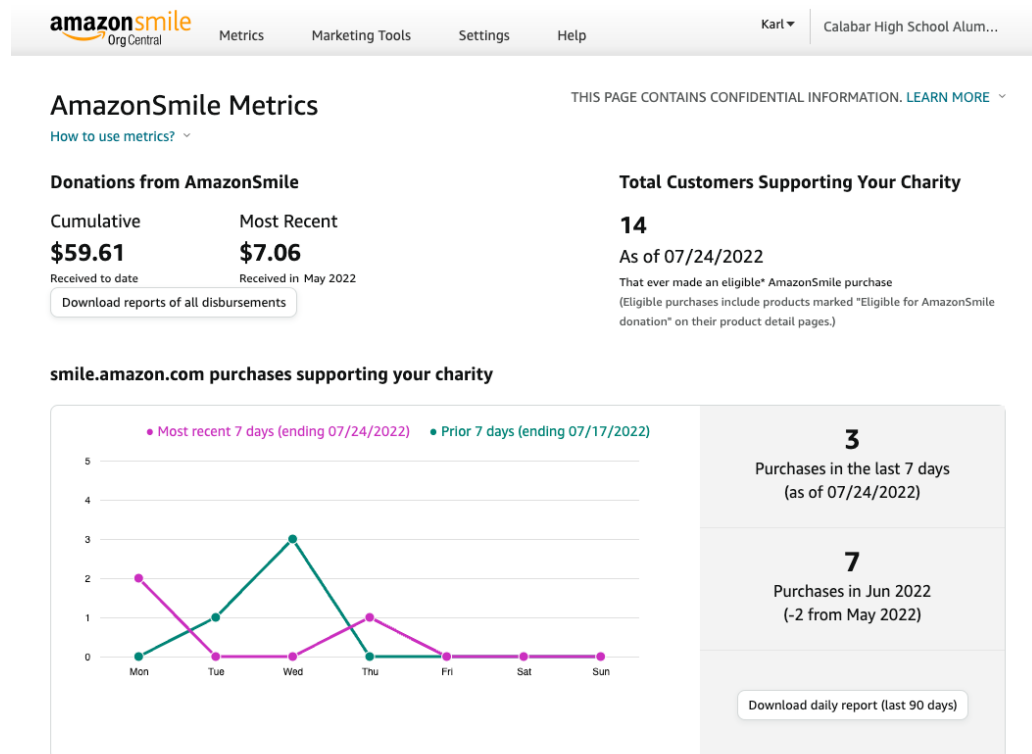

- D. Registered as a charity in charity on AmazonSmile Amazon donates 0.5% of the purchase price to your chosen charity — at no fees, no extra cost to the purchaser. Shop at smile.amazon.com and we'll donate 0.5% of eligible purchases to your favorite charitable organization.

**The AmazonSmile Foundation** is a 501(c)(3) private foundation created by Amazon to administer the AmazonSmile program. All donation amounts generated by the AmazonSmile program are remitted to the AmazonSmile Foundation. In turn, the AmazonSmile Foundation donates those amounts to the charitable organizations selected by our customers. Amazon pays all expenses of the AmazonSmile Foundation; they are not deducted from the donation amounts generated by purchases on AmazonSmile.

- E. **AmazonSmile Charity List.** Provides an easily accessible list of needs. AmazonSmile Charity Lists is a meaningful and easy way for donors to shop and donate items directly to needy charities. Simply find the charities you'd like to support, add items from their lists to your cart, and check out – it's that easy.

## 6. Employer Matching Gifts

The Chapter has placed great emphasis on spreading awareness on this topic. Corporate matching gifts are a type of philanthropy in which companies financially match donations their employees make to nonprofit organizations. When an employee donates, they'll request the matching gift from their employer, who then makes their own donation.

### How Does Gift Matching Help Nonprofits like Calabar Alumni Florida?

Gift matching helps nonprofits because it increases the gift initially made by the donor, leading to more revenue for the organization. Additionally, employees who request donation matches from their companies are essentially providing the nonprofit with free marketing and fundraising services. They are giving the nonprofit exposure and soliciting donations on behalf of the organization, which is a massive win for the organization.

To fully realize this benefit and facilitate getting the employer matching dollars, Calabar Alumni Florida has registered with organizations such as [Benevity](#) and [YourCause](#) that work with corporations to engage employees and process employers' matching donations.

Hundreds of enterprise companies choose Benevity to make a charitable impact

A collection of logos for various corporate partners. The logos are arranged in two rows. The first row includes ADP, Ameriprise Financial, Coca-Cola, Google, Prudential, and CP. The second row includes Honda, Levi Strauss & Co., Starbucks, Samsung, AstraZeneca, SAP, and Microsoft.

### Drive Employee Engagement

With CSRconnect, create a company culture of giving back through a wide range of features that goes beyond the basics of transactional giving and volunteering programs.

## 7. Strategic Plan for Giving

In September 2021, the Board of Directors approved the Strategic Plan for Giving (SPG). The central tenant of the plan was to focus funds raised towards a primary or major project selected by the Board while allocating small percentages of chapter funds to the categories defined in the SPG. The figures below summarize the Strategic Plan for Giving.

### Strategic Plan for Giving – Categories

Name of Category	Definition of Category
Education Consumable	Goods or money is given for single-use educational items or consumed once. Examples include Scholarships, Donation to Food Program, Teacher Incentive/Gift, USB Drives
Education Non-Consumable Equipment	Goods or money is given for educational-related items that multiple people can utilize over multiple years with a life expectancy of 3 to 5 years. Examples include Library books, Classroom Projectors, Lab Equipment, Computer Lab Computers, and Teacher Tools such as printers.
Extra-Curricular Consumable (sports, clubs, SCQ)	Goods or money given for extra-curricular programs that can be single use or consumed once. Examples include money to feed the track team, money to feed the school challenge team, athletic shoes given to team members, prize money for club achievement.
Emergency Requests	Requests made on an emergency or urgent basis for goods or money that benefit the Florida Chapter, school, a student or teacher. The emergency request cannot fall into one of the categories defined above unless the budget above is exceeded. An emergency request requires unanimous vote of the Board of Directors.
Infrastructure	Goods or money given for the improvement of the physical plant or grounds of the school with a general life span of 7 to 10 years.

[THIS SPACE IS INTENTIONALLY BLANK]

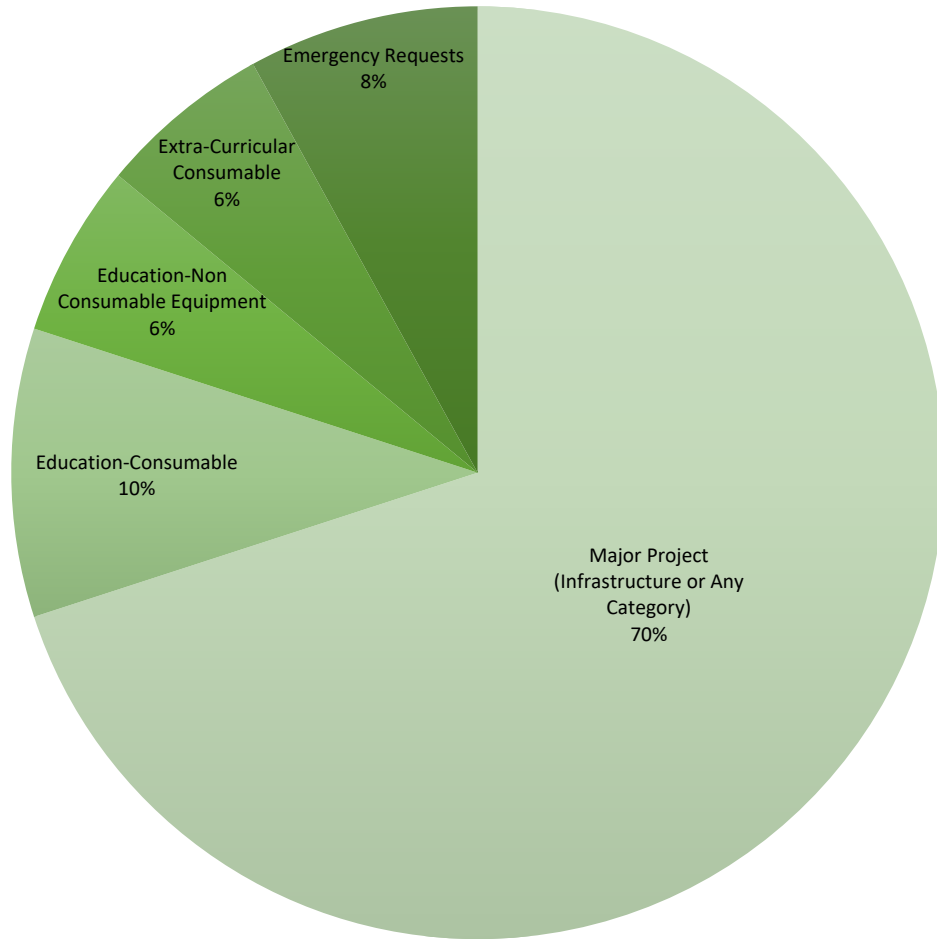

### Strategic Plan for Giving - Percentages

CATEGORY	Percentage of Annual Budget	Not to Exceed Amount	Life Expectancy
Major Project (Infrastructure or Any Category)	70%	n/a	If an Infrastructure Project then > 7 years
Education Consumable	10%	n/a	One year
Education Non-Consumable Equipment	6%	n/a	3-5 years
Extra-Curricular Consumable	6%	n/a	One year
Emergency Requests	8%	\$2,000	Varies

## 8. Membership

A membership model is in place, where individuals (alumni as well as Calabar friends) pay a recurring membership fee to access the value the organization creates. This offers Calabar supporters a chance to invest more deeply in the success of the Chapter in exchange for limited benefits and networking (which can range from small discounts to the satisfaction of being a part of something bigger than themselves) can be transformational for both the Chapter and support base. It provides for:

- An alumni electorate that is registered to participate in elections.
- Encourage continued engagement with the Chapter and building a community to further our mission
- Revenue sources, marketing activities and events.

More information on our membership program and levels is available <https://www.cbarfla.org/membership>. The figure below provides a summary.

## 11. Gold Seal of Transparency

Based on further efforts and measures implemented to improve the Chapter's nonprofit status or worthiness, Calabar Alumni Florida obtain the Gold Seal of Transparency from Candid, formerly known as GuideStar. As mentioned above, GuideStar offers insight into the entire landscape of nonprofits in the United States. This is the source by which many organizations search for and analyze individual charitable organizations.

Seals give funders insights into your organization, enabling educated grant-giving decisions. Potential donors are actively seeking diversity, equity, and inclusion (DEI) information.

Research also links earning a Seal of Transparency to a 53% increase in nonprofit contributions.

## 12. Chapter's Major Project

Under the Strategic Plan of Giving, 70% of funds raised are to be dedicated to a major significant project that falls within the definition of the funding categories defined in the SPG. In March 2022, the Board approved to designate the initiative, coined "The Calabar Florida Alumni Health and Wellness Program," as the chapter's major project.
