Re: 2022-2023 Michael McCalla Scholarship Recipient – Cadiel Elliston, Grade 13

Dear Mr. Elliston:

Congratulations! Calabar Alumni Florida is pleased to announce that your son, Matthew Savage, is the recipient of the 2nd annual Michael McCalla Scholarship for the school year 2022-2023. The scholarship committee (copied below) convened and selected Cadiel to receive this financial assistance.

The scholarship application signed by you and Cadiel acknowledges your understanding of the [specific requirements](#); Matthew must follow to remain eligible to keep receiving the scholarship benefits **after** this initial term. He must:

1. Maintain academic solid standing or progress.
2. Maintain a 95% attendance record.
3. Be free of any disciplinary issues.
4. Participate in school co-curricular life by being in a school-sanctioned club or being a member of a school sports team; and
5. At the end of every school term, email the scholarship committee (scholarship@scbarfla.org) to update them on his grades, school activities and general school life.

The scholarship provides funding of approximately US\$1,000, effective November 1, 2022 for the following and shall be disbursed by the school's Bursar until the scholarship amount is exhausted¹:

- a. JM\$600 for bus fare to and from school (from outside Corporate Area- Old Harbour) for five days per week, and
- b. JM\$600 for school lunch five days per week.

We hope your son continues to do well in school and takes advantage of every opportunity to improve and excel in his studies and school activities at Calabar. I know you believe in him, and so do we. Therefore, we are only happy to support Calabar in molding young boys into the responsible men of tomorrow.

We appreciate Sheena McCalla for continuing to fund this scholarship for the second consecutive year in memory of her late husband and former Calabar Alumni Florida vice president, Michael McCalla, '72.

Sincerely,
Derrick Munroe

¹ Since higher-than-normal bus fare is being estimated at JM\$600 for to and from Old Harbour, there is the possibility that the US\$1,000 will be exhausted before the final day of the school year.
