Re: Vincent and Sylvia Thompson Scholarship 22-23 Recipient – Matthew Savage, Grade 12

Dear Ms. ██████████:

Calabar Alumni Florida has been able to establish funding for the second annual Vincent and Sylvia Thompson Scholarship for the 2022-2023 school year. The scholarship committee selected **Matthew Savage, Grade 12** (██████████), as this year's awardee.

The scholarship provides US\$1,000. First, this shall provide for JM\$200/day bus fare for five days per week and \$600 for school lunch for five days per week. Second, for JM\$7,500 towards school uniform. Then, finally, the remaining balance will be applied toward school or examination fees. Since some thirty-five days of school have already passed, the lunch and bus fare amounts for these days are applied to the school/exam fee category. Therefore, estimating 196 school days and less 35 days, the calculations below are based on 161 school days remaining starting November 1, 2022.

	Cost	Qty /Days	Total
School Uniforms	\$3,750.00	2	\$7,500
Bus Fare	\$200.00	161	\$32,200
Lunch	\$600.00	161	\$96,600
School/Exam Fee	\$14,800	1	\$14,800
		<i>Total</i>	<i>JM\$151,000</i>

The first tranche of JM\$100,000 to Calabar High School will be sent to the school's ██████████ bank account by October ██████████. Please deposit these funds following the school's customary bursary procedures to facilitate the disbursement to benefit the referenced scholarship recipient strictly in the manner prescribed herein.

Consistent with our pledge to be transparent in all our processes, we kindly ask that an acknowledgment of funds is provided upon receipt of said funds. This will be used to acknowledge the successful transfer and confirmation of scholarship directives described herein.

Ms. ██████████, on behalf of the scholarship recipient, I want to thank you in advance for coordinating the bursary in this most worthy endeavor.

██████████
